¹ Reimbursement under the additional insurance packages applies to contracted physiotherapists. For non-contracted physiotherapists, you receive reimbursement for the same number of sessions. The reimbursement will amount to 50% of the bill up to 50% of the rate agreed with contracted physiotherapists. You will pay the remainder yourself.

² The terms and conditions specify which vaccinations and tablets are reimbursed.

Dental and orthodontic care

The total reimbursement for dental care under the additional insurance package is a maximum amount per year. If you undergo treatment, you are reimbursed a percentage of the statutory rate up to the maximum amount per year.
